### ***Allowable Subject Matter***

1. Claims 2-8, 11-14, 18-24, 35-38, and 48-54 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With regard to Independent Claims 3 and 11, the Applicant recites subject matter concerning a massager, whereby the prior art of record fails to teach or suggest the combination of a massager within a therapeutic device incorporating phototherapy and one of heat or cold therapy to a user's body, and all subsequent dependent claims are allowed.

With regard to Independent Claims 18, 21, 48, 50, and 53, the Applicant has sufficiently amended and narrowly defined a therapeutic device including a flexible switch member that connects a light source to a power source. The prior art of record fails to teach or suggest the combination of a flexible switch member that connects a light source to a power source within a therapeutic device incorporating phototherapy and one of heat or cold therapy to a user's body, and all subsequent dependent claims are allowed.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
